

Nigerian Journal of Ecology

Volume 3, 2001

Contents

- Field resistance of selected rice cultivars to the African rice gall midge, *Orseolia oryzivora* (Harris and Gagne) in Southwestern Nigeria 1
Omoloye, A.A., Odebiyi, J. A. and Singh B.N.
- Prediction of grain yield through heritability and genetic advance of yield parameters in soybeans [*Glycine Max* (L) Merr] 10
Ojo, D.K. and C.O. Amanze
- Optimum labour demand for forest management operations in Osun and Oyo States 14
Agbeja, B.O. and Kolade Adeyoju
- Inheritance of Superior Seed Longevity in Tropical Soyabeans (*Glycine Max* (L) Merr) 19
Ojo, D.K., Ariyo O.J., Adebisi M.A. and Kehinde O.B.
- Studies on Some Nursery Management Techniques for *Irvingia wombulu* (syn. *excelsa*) ex. Okafor 24
Awodoyin R. O., Sola Ogunyemi and D. O. Ladipo
- Tracheid Length and Ring width Variations in Nigerian Plantation-grown *Pinus caribaea* (Morelet) and their interrelationship 29
Okavodare, A.O. and Onilude, M. A
- Effects of Numerical Methods, Quantity and Composition of Characters on the Classification of the Angraecoid of Nigeria and Cameroon. 36
A. A. Jayeola
- Response of Okra (*Abelmoschus esculentus* (L) Moench) to Soil Types from different Agroecological Zones of Nigeria. 50
Togun, A. O., Akanbi, W. B., Adebayo, A. G. and O. Oni
- Inheritance of a spontaneous male sterile mutant in cowpea plant population. 56
O. B. Oluwatosin
- Effect of Alley-Cropping with *Leucaena leucocephala* on the Growth of Budded Citrus Seedlings in the Nursery 60
A.A. Olaniyan, J.A. Kolade, I.M. Ojeifo and M.A. Jolaoso
- Potentials of *Vitellaria paradoxa*. Gaert F. in Agroforestry Systems in Benue State, Nigeria. 65
Labode POPOOLA and Norbert T. TEE
- Effects of Tillage System on Saturated hydraulic conductivity, Resistance to Penetration, Soil moisture potential and shoot yield of Grain-Amaranth 74
Afolayan, S. O., Babalola, O., Igbeka, J. C.
